

For the Second Time, Progress Recognized as a Gartner Peer Insights Customers' Choice for Web Content Management

May 2, 2019

The Gartner Peer Insights Customers' Choice distinction is based on feedback and ratings from end-user professionals; Progress received the most reviews of any WCM vendor included

BEDFORD, Mass.--(BUSINESS WIRE)--May 2, 2019-- [Progress](#) (NASDAQ: PRGS), the leading provider of application development and digital experience technologies, today announced that it has been named an [April 2019 Gartner Peer Insights Customers' Choice for Web Content Management \(WCM\)](#). This marks [the second time](#) Progress has been named a Gartner Peer Insights Customers' Choice, after being recognized as the only Customers' Choice for Web Content Management in October 2018.

The Gartner Peer Insights Customers' Choice distinction is based on feedback and ratings from end-user professionals who have experience purchasing, implementing and/or using the product or service. As of May 1, 2019, Progress received the most (197) reviews with a 4.4 rating out of 5 stars for its [Progress@ Sitefinity@](#) offering.

Some of the reviews about Progress include:

- "Sitefinity has been great for us in providing a high-quality site that is easily updated by Marketing. Progress provides excellent customer support." – [Applications, Finance](#)
- "The Sitefinity GUI is very user-friendly. Many functions are available out of the box and immediately available for customization. I haven't had any major issues with the product. Really happy with Sitefinity." – [Digital Marketing, Services](#)
- "Sitefinity is an excellent content administration framework. On the off chance that you are an association like us that creates sub-websites for clients, think about Sitefinity. It is a one-stop answer for all your site improvement and management prerequisites." – [Product Management/Marketing, Miscellaneous](#)
- "It has been a great CMS for .NET developers." – [CIO, Government](#)

"Once again, we sincerely thank our customers for this distinction, as we believe it represents our ongoing commitment to provide the best solution for rapidly building omnichannel digital experiences," said Yogesh Gupta, CEO, Progress. "Today's customer demands high-touch, personalized experiences with rich, relevant content delivered instantly through the digital channels they choose. Sitefinity makes it extremely easy for marketers and developers to get new web initiatives to market quickly – driving better customer engagement with less time and cost."
