

Progress Announces Winners of the Progress Sitefinity 2018 Website of the Year Awards

April 4, 2019

30,000 votes determined thirteen winners for their excellence in website, digital experience, creativity, design, user experience and functionality

BEDFORD, Mass.--(BUSINESS WIRE)--Apr. 4, 2019-- [Progress](#) (NASDAQ: PRGS), the leading provider of application development and digital experience technologies, today announced winners of its annual [Progress® Sitefinity®](#) Website of the Year Awards. Each year, the awards recognize websites powered by Progress Sitefinity for creativity, design, user experience, functionality and overall website presentation. Winners were selected based on the highest number of votes received during the public voting process.

This year, 39 websites developed using Progress Sitefinity were nominated across 13 categories: Multisite, Ecommerce, Financial Services, Healthcare, Education, Public Sector, Manufacturing, Services, Technology, Associations & Non-Profit, Sports & Entertainment, Travel & Tourism, and Graphic Design.

The 2018 Website of the Year Awards winners were selected in two phases. First, a Progress judging panel shortlisted the three best websites per category. After narrowing the field, voting was opened to the community. Finalists with the highest number of votes were appointed the category winners.

With more than 30,000 votes cast, the results are as follows:

- Multisite: [Greenheck](#), implemented by [The Greenheck Group](#)
