Progress Announces ProgressNEXT 2018: The Premier Conference for Application Development Professionals

May 29-June 1, in Boston, the worldwide conference will attract over 1,000 attendees and provide opportunities to learn, collaborate and network on topics ranging from mobile development to serverless computing, adaptive user experiences, machine learning and more

BEDFORD, Mass.--(BUSINESS WIRE)-- Progress (NASDAQ: PRGS), the leading provider of application development and deployment technologies, today announced the dates and location of ProgressNEXT 2018. The worldwide customer and partner conference will take place May 29-June 1 at the Westin Boston Waterfront. To register, click here.

ProgressNEXT is the foremost gathering of Progress customers and partners with the common goal of delivering the next generation of business applications. With nearly 150 sessions led by a variety of industry experts, attendees can select from a multitude of topics, including mobile app development, predictive maintenance and IIoT, serverless applications, healthcare applications and HIPAA compliance, frontend development, modernization, predictive analytics, digital experience and much more.

- **What:** ProgressNEXT, the premier conference for application development professionals
- **When**: May 29-June 1, 2018
- **Where:** The Westin Boston Waterfront
- **Who:** 1,000 attendees, ranging from developers to digital leaders and c-level executives

Attendees will have the opportunity to collaborate with industry experts, Progress leaders, peers and the Progress community to hear how organizations are successfully bringing leading-edge business applications to market. ProgressNEXT will also feature important best practices, product updates, and training. It is the ideal environment to meet and collaborate with business and technical professionals.
